@MIRACLEFRUITOIL

A UNIQUE HAIR REPAIR & STRENGTHENING SERIES

based on the rare,
patented oil derived
from the Miracle
Fruit seed.

*Miracle Fruit Oil Treatments deliver
clinically proven hair damage reversal,
prevention, and manageability unlike
any other product on the market.*

THE MOST INCREDIBLY EFFECTIVE *Natural* Ingredient **EVER**

Miracle Fruit seed oil is a **rare and exotic** superfruit oil derived from a **natural and healthy** source: the seed of the **nutrient-rich** Miracle Fruit berry (*Synsepalum dulcificum*). Our **purified, organic, medical-grade** oil is supercritical-extracted, vegan, hypoallergenic and preservative free.

We exclusively use **supercritical extraction**, considered the best and most advanced method to extract oils. This method avoids all harmful exposures and **preserves** all of the biologically active components of the amazing Miracle Fruit seed oil.

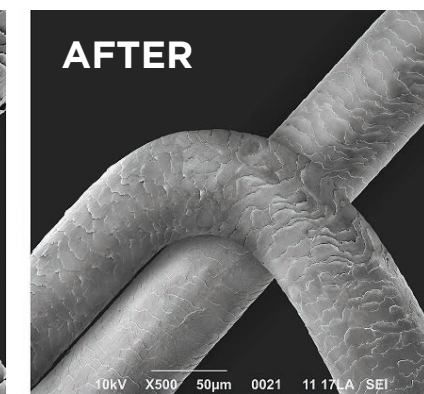

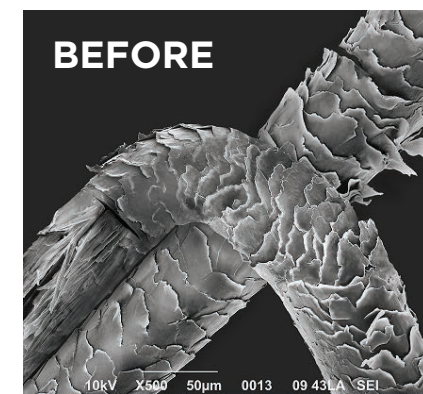

A PATENTED INGREDIENT THAT *Works Miracles*

We are the only company able to make products containing the **amazing and unique** Miracle Fruit seed oil – **so incredibly effective** that it's the only oil in the world to have ever been patented.

CLINICALLY PROVEN RESULTS

Miracle Fruit Oil Treatments are **medically proven** to be the most powerful products available on the market today to **strengthen, repair, & preserve** hair.

- Clinically proven to be the most powerful anti-breakage and hair repair product in the market, 5X more effective than other oils & bond-builders.
- Clinically proven effective and superior to leading brands in an 8-month clinical study (University of Florida, published in the Journal of Clinical and Aesthetic Dermatology).
- The only scalp regenerative treatment clinically proven to significantly increase the healthy hair index.
- Scientifically proven to incorporate and strengthen the entire hair keratin protein strand (not only individual bonds).
